ABOUT GROWCOM

Growcom is the peak representative body for the fruit, vegetable and nut growing industry in Queensland.

We are the champion of our members' needs and a hub of the Queensland growing community. We are the only organisation in Australia to deliver services across the entire horticulture industry to businesses and organisations of all commodities, sizes and regions, and to associated industries in the value chain.

Our core membership consists of Queensland fruit and vegetable growers of all commodities and individuals or groups with a vested interest in the future of Queensland's horticultural industry.

MONTHLY MAGAZINE

FRUIT & VEGETABLE NEWS

Growcom's Fruit & Vegetable News is a monthly magazine, read by commercial fruit and vegetable growers and those with a vested interest in the industry. It is available both in a printed and a digital edition for your convenience.

The magazine contains the latest industry news, information, technical data, current research, upcoming events and important issues. It's an easy way to keep up-to-date with developments in the horticulture industry.

The magazine has been in publication since 1950 and has changed its look several times over the course of its print run. In 2017, Growcom revamped its design with a fresh layout and new paper stock to bolster the quality of the printed product for growers, sponsors and advertisers.

Each month, the magazine includes a grower profile on one of Growcom's members, featured on the cover page and as a double-page spread.

Growcom's Fruit and Vegetable News magazine continues to be at the forefront of news delivery. It contains content found in no other publication including the latest in industry news, current research and important issues.

TARGET MARKET: Horticultural growers and those with a vested interest in Queensland's horticultural industry.

MAGAZINE CIRCULATION AND FREQUENCY: 800+ copies are printed monthly with a combined December/January edition.

DISTRIBUTION: Delivered to businesses throughout Queensland via Australia Post in a sealed clear bag and personally addressed.

Fruit & Vegetable News is the official journal of
Queensland Fruit & Vegetable Growers Ltd, trading as Growcom
Australia - representing the State's horticulture industry.

DESIGN

Growcom employs graphic designers and copywriters who can produce advertisements for potential advertisers.

Simple word placement ads incur a flat rate of \$200 (incl gst). For more complex advertisements an hourly rate may apply on top of this flat rate. If you require your existing advertisement to be modified this may also incur a charge.

Please contact Growcom's Communications Team to discuss your advertising requirements:

NEWS ROOM & EVENTS CALENDAR

NEWS ROOM

In 2017, Growcom launched its newsroom section online to include weekly columns, media releases and editions of the Hort Now e-newsletter.

The newsroom contains horticulture specific industry news.

Growcom can offer advertising on the newsroom in monthly time slots.

EVENTS CALENDAR

The Horticulture Events calendar is designed to keep growers informed about events that are specifically related to the horticulture industry. Events listed include Growcom hosted events, free seminars, demonstrations, tours and upcoming conventions.

For a non-Growcom hosted events, a direct link is provided to the external event registration page allowing the user to access further information or register directly with the event host.

An update of new events is provided in Horticulture Now with a link to the site. Advertising on this calendar offers the chance to achieve greater exposure of an event you are holding or sponsoring for the industry.

Artwork must be provided as a web-ready JPG, PNG or GIF.
